

## TBI TIG SR-P-26

Functional and ergonomical TIG welding torches with a large variety of options.

### Features

- ◆ Ergonomically formed handle with toggle switch, potentiometer optional
- ◆ Cable assembly with swivel cable support attached to the handle
- ◆ Highly flexible mono cable version.
- ◆ Shielded control cable
- ◆ High voltage resistant up to 12 kV

TECHNICAL DATA	TBI SR-P-26
Rating at 60% duty cycle (10 min. cycle)	
Rating AC:	140 A
Rating DC:	200 A
Cooling method	Air cooled
Electrode diam:	∅ 0.5 - 4.0mm
L =	50mm (FX: 50mm)
Technical specification	according to IEC 60974-7
